Bringing care home

Leave a Legacy
You can remember us in your Will if you wish. You may choose to leave a donation of a specific amount, all, or a share of, the residue of your estate or perhaps even a particular item.

We need to raise over 80% of the £7 million required to run our 'free' services, which is a big challenge. We rely on caring people and local businesses to help us reach this target.

Please become a Regular Giver

A regular gift by Direct Debit – even as little as £1 per week – is a great way to help St David's Hospice Care. It's convenient and easy as you specify the amount and leave the rest to us. You can amend or cancel the donation at any time. As an example, a regular donation of £5 a month means we would have £60 a year towards our aim of bringing care home when it's needed most.

Please complete the Form below and return it to us, or set one up online at www.justgiving.com/sdf Gift Aiding your donation means that for every £1 you generously give us, we can receive an extra 25p from the Inland Revenue helping your donation go further. This means that every £10 donation we receive could potentially be turned into £12.50 at no extra cost to you. **So, tick it and Gift Aid it!**
