

Help us to make your donation go further

I want St David's Hospice Care to reclaim the tax on my donation(s) and confirm that I have paid at least 25p UK income tax or capital gains tax for each £1.00 I have donated. St David's Hospice Care will receive 25p for every £1.00 donated. This means for instance that every £10.00 raised becomes £12.50—at no extra cost to you ! Just think what a difference that could make.

By completing this form you are confirming that:

You are a UK taxpayer (you must have paid an amount of income or capital gains tax (VAT and council tax do not qualify) at least equal to the tax that St David's Hospice Care will reclaim on your donations in the appropriate tax year.)

You wish St David's Hospice Care to act as your agent in selling the goods you have donated.

You wish St David's Hospice Care to claim tax on all donations you have made 4 years prior to this date and from this date forward for all future donations.

You are not acting as a business in bringing goods in for sale to any of the shops belonging to St David's Hospice Care. Any goods which cannot be sold will be recycled and cannot be returned to the donor. We reserve the right to terminate this agreement at any time.

Since 1979 St David's Foundation Hospice Care has been working in the community ensuring everyone has access to appropriate care and support when they need it most.

We care for patients and their families within South East Wales and at any one time are caring for 1100 patients and last year we cared for over 3200 patients.

We are indebted to the support of the local community as it costs St David's Hospice Care over £5.8 million each year to provide our "free" services, and we receive less than 20% funding from the NHS.
