Adam agrees!

By playing the St David's Hospice Care Lottery, not only do you have a good chance of winning one of 24 cash prizes every week, you are supporting local people facing life threatening illnesses.

St David's Lottery members' contributions provide vital funding to pay for specialist nursing care for patients as well as a network of support for their families. Your support is the gift of precious time together for so many local families.

We can't promise to add days to their lives - but with your help we can add life to their days.

"The support I received made caring for my husband at home so much easier. At no time did I feel alone. It was his wish that he remained at home throughout his illness. He wanted to die in his own bedroom, in his own bed and with me by his side. You made those wishes come to fruition. Throughout his illness I felt surrounded, not only by professional carers, but friends. The care administered to both of us was far above the call of duty."
